ALMA MATER

(Tune: "Believe Me If All Those Endearing Young Charms." Words were composed by Mrs. Lucille Belk Armistead.)

How dear to our hearts will the memory be
Of the days we have spent in thy care,
When within thy dear halls we have lingered awhile
All thy gifts and thy blessings to share.
So the memory of thee will ever remain,
While we think of each dear hallowed scene;
And the bonds of true loyalty, blest through the years,
Our affections will ever keep green.

Then, to thee, Alma Mater, we'll ever be true,
Though the coming years scatter us far;
And the ideals you taught us will ever be bright
Shining out as our life's guiding star.
We will cherish thy name wherever we roam,
And forever thy praises repeat.
Hail to thee, Alma Mater, our happiest days
Are the days we have spent in Montreat.

Our system of student government is highly idealistic. To make it a successful, functioning organization, we must look beyond the regulations and standards set by it and attempt to understand fully the ideals which underlie it. Student government imposes self-discipline and high integrity. It is not the easiest form of government but it is one which builds character; it expresses our common faith in the inner integrity of every student. To preserve this sense of personal honor both for ourselves and for others is a sacred trust resting upon each of us.

"For ye, brethren, were called for freedom; only use not your freedom for an occasion to the flesh, but through love be servants one to another. For the whole law is fulfilled in one word, even in this: Thou shalt love thy neighbor as thyself."

MESSAGE FROM THE PRESIDENT OF THE COLLEGE

A warm, cordial welcome awaits you at Montreat-Anderson College. You will quickly come to know everyone by name and everyone will know you.

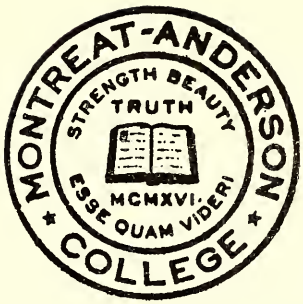
The Faculty have dedicated themselves to the ministry of teaching in a Christian college. They are here to guide you as you grow into mature men and women in body, mind and spirit.

The regulations for student life which you find in this booklet have been agreed upon by the Faculty and Student Leaders as the minimum requirements for a happy life together in a Christian college.

I shall look forward to the pleasure of meeting and knowing you personally. If at any time you think I can be helpful, please come to see me.

Most cordially yours,

DR. C. GRIER DAVIS, President
Montreat-Anderson College



THE HONOR SYSTEM

Life at Montreat is based on the belief that the ideal community is made up of honorable individuals. Mutual trust and consideration form the backbone of such a community, and it is for this that we strive.

Each student and faculty member has a responsibility for himself and for every other member of the college community. The failure of one person to live honorably is in part the failure of all, as the movement of one individual toward complete understanding of Christian living is a step toward honorable living for the whole college.

For this reason, the students at Montreat have accepted what is called the "Honor System," under which each student agrees to try to discipline his own life and to be ready to help all others to discipline theirs toward the goal of a community in which each member will merit and distribute trust and respect. It is in large part due to the acceptance by faculty and students of the Honor System as a way of life, that the "Spirit of Montreat" is a reality, not only on the campus, but wherever former Montreat students are found.

Montreat-Anderson College challenges you to become a part of her Honor System.

MESSAGE FROM THE DEAN OF WOMEN

The college year of 1961-1962 is opening and with it, a new experience and a new opportunity for all of us—returning students, faculty, members of the administration, and entering students.

Montreat-Anderson as a church related college has standards and ideals which are different from some of those accepted in the world as a whole. By becoming part of this college, all of us have indicated that we are willing to participate in life in a Christian community.

Such a community should be and can be a place of mutual trust and love, of wholesome good times and serious achievement, of rounded development that includes growth in the area of man's deepest need which is spiritual.

Whether or not the goal of such a community is reached and whether or not this is a thrilling and happy college year, depends not on someone else but on you and me as individuals. We can fight against the spirit of the place and be miserable and make others unhappy, or we can enter in and, together with the others who are doing the same thing, create with God's help, a community where we will discover real joy in living and the possibility of lasting accomplishment.

Cordially yours,

ELIZABETH WILSON,

Dean of Women

HERE'S WHAT WE DO

To you who have been anticipating college days, we know you must have endless numbers of questions haunting you day after day. Maybe the following information will enlighten you on some of the conveniences that are really life savers, and also tell you of the traditions and activities that add spice to our college life.

Saturday Nights: Dancing, movies, concerts, plays, skating, dating, and various other activities are offered on Saturday evenings for your entertainment.

Bookstore and Snack Shop: These are located in McAlister Hall and are run by the students. The store has all textbooks, school supplies and personal articles that you might need. Here you can also take a coke or ice cream break from your studies.

A.C.T. The Asheville Community Theater presents six excellent plays during the season. Season tickets for $6.00 each may be purchased at the beginning of school.

Community Concerts: The Asheville Community Concert Association offers a variety of programs featuring internationally known artists. Season tickets are $6.00 and transportation is available in the college station wagons to both the A.C.T. plays and the Community Concerts. Among the programs scheduled for the 1961-1962 season are the Chicago Opera Ballet, the Indianapolis Symphony Orchestra, Leonard Pennario, pianist, and Arthur Fiedler and the Boston Pops Orchestra.

The Freshman Talent Show: The Freshman Talent Show in October is eagerly awaited by the upperclassmen. This major production is an opportunity for you Freshmen really to perform. Who knows? TV may be looking for you!!

Thanksgiving: This is our traditional Homecoming with soccer game, banquet, and a royal welcome to returning Alumni.

Christmas: The Christmas Season is a very busy time for Montreat Students. Programs are given by various organizations. The Sophomore Class sponsors the annual Christmas party. Special projects are also conducted through the S.C.A. and the S.G.A. by which gifts are made to needy families of the community. One of the enjoyable things during the Christmas season is the tradition of "angels and mortals". Each girl is an "angel" and does secret good deeds for her "mortal".

Spring Activities: The coming of Spring brings to Montreat several special occasions: The tour of the Montreat College Singers, the Thalian play, and one of the major events of the year, the May Day Program and the crowning of the May Queen. Many prospective students visit the campus during May Day Weekend.

Commencement: The busy Commencement season is the time for the concert of the Montreat College Singers. Various awards are given to those who have been outstanding academically and in sports activities. Commencement Saturday includes the Alumni Luncheon honoring the graduates and past graduates who have returned. The season is climaxed by our Graduation, the loveliest and most impressive ceremony of the school year. Women students wear white dresses or suits, and men students wear dark suits to participate in the processional and recessional.

Christian Service Activities: Several opportunities are available for field work in the surrounding communities. The choir sings once a month for the morning worship service at Oteen Hospital, student groups through the S.C.A. conduct

Sunday School and youth programs at the Western Carolina Sanatorium, one of the S.C.A. groups has charge of the youth at a Presbyterian church in the area, and week-day recreation programs are carried out with the children patients at the Sanatorium.

Student Organizations: In addition to the major organizations, (the Student Government Association, the Student Christian Association and the Men's and Women's Recreation Associations) there are several other clubs which have been organized to meet the variety of interests in the student body. For more information on these, see the back section of the Handbook.

Bulletin Boards: The official bulletin board, located in Gaither Hall, is the central source of all important communications from the faculty, administration, student government, etc. It is your responsibility to keep up with what is going on, so be sure to check the bulletin board several times daily. Who knows? The Dean may want to see YOU!

Dormitory Cooking: The kitchen in Howerton is for your use. You can pop popcorn or cook soup, or anything else, if you will clean up afterwards in consideration of others.

Those Dirty Clothes: Coin-operated washers and dryers are provided in Howerton Hall for doing your heavy laundry. Ironing rooms are conveniently located in the dorms. Dry cleaning may be sent to Black Mountain.

When You're Sick: Clinic hours of the Infirmary will be posted at the beginning of school. At other times when you need the nurse, please notify the Head Resident. If you are unable to attend classes or required meetings, you should report to the Infirmary. Otherwise your absence cannot be

excused. The Infirmary will have visiting hours. We ask you to abide by them.

Student Bank: For you people of great means, and others of you of no great means, the student bank offers a safe place for your money. It is open every week day at scheduled times and you may deposit or withdraw as you wish. The bank is located in the Business Office in Gaither Hall.

Mail: Each student is assigned a mail box at the beginning of the year. The rental fee is $1.35. The Montreat Post Office receives three mails each day, one in the morning and two in the afternoon.

Dear Friends,

On behalf of the Student Government Association, "Welcome to Montreat-Anderson College!" It is our hope that you will join in and become a part of the college and help in making campus and dormitory life a memorable and enriching experience.

In our student government we try to uphold the high ideals for which our college stands through the Honor System, which is an integral part of our college life. Students who accept the Honor System and support it in its proper functioning find no difficulty in adjusting themselves here.

Let us have faith as we enter this year and may we take the words of Paul in his epistle to the Philippians, "I can do all things through Christ who strengtheneth me."

Sincerely yours,

FRANK POWELL, President

3. Women students must have a specific written permission from their parents before they may make any over-night departure from the campus to a place other than their own home. These written permissions are secured from the Dean of Women and must be mailed directly to her by the student's parents.

XV. WEEKEND PERMISSIONS

1. In addition to Fall and Spring weekends, permissions for off-campus weekends will be granted on the following basis:
   a. Students having a 2.0 average may take weekends at their own discretion as long as their grades remain 2.0.
   b. Students having a 1.0 average may take 5 weekends a semester.
   c. Students having below a 1.0 average may take 2 weekends a semester.
2. Any over-night departure from the campus constitutes an off-campus weekend.

XVI. DORMITORY GUESTS

1. Prospective students may spend the night in the dormitories without charge.
2. Other visitors, including relatives and friends of students, approved dates, and alumni, may stay in the dormitories when space is available for 50c a night for each person. College linen may be used.

3. No guest may stay in any college dormitory unless there is a student host or hostess who is responsible. The host or hostess is to inform all guests of dormitory regulations and visitors are expected to abide by such regulations. Failure to do so will result in penalties given to the student host or hostess.
4. Guests must be in the dorm by 12:30 on Saturday nights and by 11:15 on all other nights.
5. Guests who are in the dorm on week nights must abide by Quiet Hours for Study Hall from 8:00 to 10:00 P.M. On Saturday and Sunday nights, the dorm must be quiet after twelve o'clock.
6. Arrangements for women visitors to stay in the women's dormitory may be made with the Head Resident.
7. Arrangements for men visitors to stay in the men's dormitory may be made with the Head Resident.

XVII. CLASS ATTENDANCE

Regular class attendance is regarded as essential. The experience of the college has shown that absences tend to lower the standard of work maintained by the student. The student is expected to make up all work missed because of absences.

1. Every class absence will be recorded by the instructor as an **F.**
2. Under certain limitations, the student may obtain from the Registrar's Office permission to do make-up work which will remove the **F.** This make-up work may be done at the convenience of the instructor. Permission to do this work will be issued by the Registrar upon receipt of a slip from one of the following persons:

School Nurse—Boarding students and Day students must obtain a slip from the School Nurse for any absence because of illness.

Dean of Women—All excuse slips for personal reasons, such as, a death in the family, illness at home, a wedding in the family, must be obtained from the Dean of Women.

Executive Dean—All excuse slips for attending conferences, going on Chorus Tour, taking special class trips, etc. must be obtained from the Executive Dean.

In order to make up work that has been missed, permission slips from the Registrar's Office must be shown to the instructors within one week after the absences occur.

3. If a student has more than five unremoved "F's" at the end of a semester, the grade for the course will be F. If a student has more than seven absences, whether excused or unexcused, from a class which meets twice a week, or more than ten absences in a class which meets three times a week, more than twelve in a class which meets four times a week, or more than fifteen in a class which meets five times a week, the Administrative Committee, in consultation with the professor involved, will determine whether the student may continue the course and receive credit.

4. A student who is on the Dean's List is exempt from regulations governing class attendance except those pertaining to the maximum of seven absences in a class which meets twice a week, ten absences in a class which meets three times a week, twelve absences in a class which meets four times a week, and fifteen absences in a class which meets five times a week. This exemption does not in-

clude absence from laboratory, quizzes, and examinations.

5. Three unexcused tardies in a class will constitute one unexcused absence. Excuse slips for being tardy may be obtained in the Registrar's Office. If a student enters class more than 15 minutes after the last bell has rung, he will be counted as absent from class.

6. **The school year is not considered complete until after the Commencement exercises.**

STUDENT GOVERNMENT REGULATIONS FOR ALL RESIDENT STUDENTS

I. FRESHMEN ORIENTATION

During the first six weeks, an intensive orientation program is provided for all new students. Guided discussions are held on the contents of the Student Handbook and, at the end of the first week of Orientation, a test is given on the Handbook.

1. In order that new students may become well established in their college work, no weekend permissions will be granted during this six weeks' period.
2. After the Orientation Period, freshmen may take four weekends off campus first semester. Second semester weekends will be based on first semester grades. (See Weekend Permissions, Administrative Regulations, Section XV).
3. Cabinet reserves the right to give special permission during the six weeks' Orientation Period to those who have worked in Montreat in the summer and have earned such permission.

II. DORMITORY

1. Students are expected to keep their rooms clean and in order and are not to damage the property.
2. Lights, radios, and record players are to be turned off when you leave the room.
3. Lamps, radios, record players, hair dryers, heating pads, brew-masters and popcorn poppers may be used in the student's room. Electric cooking utensils may be used only in the kitchen. Irons may be used only in the ironing rooms.

4. Overnight guests are to abide by college and dormitory regulations.
5. Parakeets, canaries, and fish may be kept in students' rooms. Any additional pets must be okayed by the Head Resident.

III. STUDY HALL

1. Dormitories shall be quiet beginning at 8:00 p.m. From 8 to 10 p.m. students shall not visit each other in dormitory rooms. A student lounge is available for those who have free time during study hall. Hall lights are dimmed at 10:45 p.m. and the dormitories are to be reasonably quiet after that time.
2. When DO NOT DISTURB signs are used, they must be placed in plain sight on a closed door.
3. A penalty of 3 demerits will be given for visiting during Study Hall and 5 demerits for breaking a DO NOT DISTURB sign. Study Hall and Do Not Disturb signs may be broken only for telephone calls by the Telephone Scholarship student, or by the President or Vice-President of S.G.A., the House President, the Dean of Women, the Dean of Men, or the Head Resident.
4. Students may not talk out of dormitory windows after 8:00 p.m. (3 demerits).

6. Hall Court Chairmen may break Study Hall and Do Not Disturb signs after 10:45 p.m.

3. All dormitory calls are limited to five minutes. (5 demerits).
4. Long distance calls are to be made from the pay telephone in each dormitory.
5. Scholarship students are appointed to answer the phone at night and on the weekends. To avoid confusion, others are requested to leave the responsibility to them.
6. When no Scholarship student is on phone duty, other students are permitted to answer the phone.

V. MEETINGS

Because of the importance of full student participation and the difficulty of group work and planning with only partial membership present, attendance will be required for the following:

1. Student body meetings
   (3 demerits for each absence)
2. Hall Courts. (1 demerit for each absence).
3. Class meetings (3 demerits for each absence)
4. House Meetings (2 demerits for each absence)

Any excused absence from the above meetings must be obtained from the respective president before the meeting.

Administrative regulations require attendance at Church, Vespers, Chapel, Faculty-Student Dinners, and official college functions.

VI. DEMERITS

1. DEMERITS—These will be given either by the Dormitory Council for violation of house

regulations, or by the Cabinet of S.G.A. When a student receives a total of 15 demerits, he or she will receive a two-week Campus. (House Presidents shall submit a record of all demerits given to students by the Dorm Council to the Vice-President of S.G.A. and upon a student's receiving 15 demerits, the two-week Campus becomes automatic.) For every 15 S.G.A. demerits, a student will automatically be given 3 Administrative Penalties.

2. CAMPUS. A Campus requires that the student not leave the campus at any time during the specified length of time. If a student breaks this campus, Cabinet may take other disciplinary action, depending on the case.

3. RESTRICTION—A Restriction requires that a student give up all honors on the campus and not participate in any campus activity except classes, meals, library, scholarship work, Chapel, and Church services. A student on restriction may not visit or receive visitors. Additional terms of the restriction may be added by Cabinet according to the individual case. A restriction may be given either by Cabinet or by the Administrative Committee of the Faculty.

4. When a student is campused or restricted, the President of S.G.A. will post on the bulletin board the name of the student and the reason and duration of the penalty.

Dear Friends,

While in Montreat for our first year, we have already experienced a year full of God's richest blessings. Because of this we are truly thankful, as you shall surely be, upon realizing the opportunities He has here for you.

Montreat has been described as "a place of magnificent physical beauty and true spiritual beauty." The things that happen as you go through this coming year will not quickly be forgotten because they can and will remold your life into one of better Christian service.

If you are already a Christian, the Lord will strengthen you and make you more capable in doing His will. However, if you are not a Christian, beware of the change that can take place in your life also.

The S.C.A. welcomes you to Montreat and asks you to pray with us for guidance in this new year.

Eternally for Him,

Hi Fellow Montreater,

We of the Montreat-Anderson Women's Recreation Association are so glad to have you with us for the coming year. We are sincerely looking forward to a great year of fun, sports, and recreation. All this and more is waiting for you in the gym, on the soccer field, and the game room, or just anywhere you happen to be. The best part of all is that everyone is welcome!

We have a long list of sports challenging to everyone. Whether you're a beginner, experienced player, or a champion, we have a need and place for YOU. No matter what your ability, the only requirement is for you to come out and participate. Everyone has an equal opportunity in playing in sports or winning awards. We like to place emphasis on sports rather than the material awards, but the awards are given for a game well played.

Do you think you won't be able to participate

because you have to study? Well, let me give you a little tip! The person who takes at least an hour each day for recreation is more refreshed and better able to study. If you don't believe it, try it! Besides all the other benefits of sports, they help to give you a well-rounded personality in learning teamwork and cooperation. So you see, you can't lose.

The spirit and fun of sports can be attained only through the interest, spirit and cooperation of everyone. The fun and benefit you can get out of the recreational activities at Montreat will be only in proportion to the participation you put into them. We hope to see you all down on the soccer field come September.

Let the "Sportsman's Prayer" be our prayer:

"Dear Lord, in the battle that goes through life,
we ask but a field that is fair,
a chance to be equal with all in the strife,
a courage to strive and to dare.
If we should win let it be by the code
with our faith and our honor held high,
but if we should lose, let us stand by the road
and cheer as the winners go by."

Yours in Him,

SANDY SCOTT, President

Women's Recreation Association

Welcome Montreaters-To-Be!

When we say welcome, we mean it in the fullest, warmest sense of the word. Welcome to "our" Montreat which will soon be "your" Montreat. We are constantly striving for the unity of fellowship with each other, the "oneness" that can be found ONLY through Jesus Christ.

Every member of the Sun Dial Staff is eager and willing to answer any questions you may have, or to assist you in any way we can. The Sun Dial is your annual; you make it. If any of you are interested in hard work, contact us. We can make good use of **YOU!**

College life can be as great a challenge as you make it, or as little. We, the students, make Montreat what it is. We love it! We are looking forward to next year, working with you, striving upward ever with Christ as our Leader, our Example, our Father.

Sincerely we say, WELCOME!

Greetings:

We welcome you to Montreat-Anderson. You are on the threshold of a year to be filled with many and varied experiences. This year at Montreat will provide you with an opportunity to gain new knowledge, to meet new and interesting people, and to take an active interest in the spirit and functioning of your school. Yes, your school, for you have chosen Montreat; and because you have chosen it, you make it.

One of the best ways by which you can support your school is supporting the school newspaper, "The Dialette." I am sure some of you will join the Dialette Staff, but the opinions expressed by the paper will be the voice of the student body. Please support the Dialette with your contributions, subscriptions, but most important with your opinions concerning your school.

Our activities, our thoughts, and our writings must be Christ-centered. Our paper must have a Christian purpose if it is to succeed. Each of you must contribute to this purpose. The individual must fulfill his role, that of supporting the paper in order for the paper to stand.

Sincerely, in Him,

JUDY WILDERMUTH, Editor
The Dialette

OTHER STUDENT ORGANIZATIONS

BUSINESS CLUB

The Club is the student organization of the Business Education Department. Its purpose is to give to its members both "educational fun" and programs which awaken the students to real standards and activities in business life. Trips are taken to business centers; outside speakers are invited to address the club.

COLLEGIATE COUNCIL FOR THE UNITED NATIONS

The Collegiate Council for the United Nations is an intercollegiate organization formed for the purpose of stimulating an understanding on the campus of the aim, scope, and functions of the United Nations, and to give expression to student opinion on the United Nations through cooperation with state, regional, and national councils for the United Nations.

LANGUAGE CLUB

The Language Club provides an opportunity for those interested in the people and cultures of other lands to learn more about them in an informal way. Movies, fiestas, visiting nationals, games and reports help to make the language student more aware of the necessity of the ability to communicate. Membership in the club is open to students of French and Spanish and to any others who are interested.

THE HIKING CLUB

The Women's Recreation Association conducts hikes almost every week-day afternoon (weather permitting). All students are encouraged to participate in this hiking program. Students who participate regularly in the sponsored hiking activities may become members of the Hiking Club.

"M" CLUB

The "M" Club is the honorary recreation organization for women. To become a member you must prove skillful in sports, show sportsmanship, good teamwork, and an active interest in the recreation program of the college. So come on girls let's have a good time and become a proud wearer of the Montreat "M."

MONTREAT CHURCH CHOIR

All students who have pleasing voices and who are interested in participating in the worship service through music, are invited to join the choir. The first two Sundays of every month, the choir presents the special music in a near-by Veterans hospital.

MONTREAT COLLEGE ACTIVITIES OF THE AMERICAN RED CROSS

"The purpose of Red Cross Activities is to provide men and women students on college and university campuses with an opportunity to help plan and administer their volunteer activities in the community, national, and international Red Cross programs." The Montreat Red Cross group provides entertainment at regular intervals for the patients in a neighboring Veterans hospital.

MONTREAT COLLEGE SINGERS

Members of this group are chosen through auditions at the beginning of the fall term. In addition to concerts on campus, the Singers present concerts in churches, schools, radio and T.V. stations in surrounding areas. The highlight for the Singers, and of interest to the student body, is the annual extensive tour.

CANTUS FIRMUS

Organized in 1955 to promote a better understanding and greater appreciation of good music of all types, the Music Club is open to all students who are interested. Through lectures, discussion, and performances, the student has the opportunity of becoming familiar with the standard repertoire, including the works of contemporary composers.

THE SOCIAL COMMITTEE

This committee is composed of a chairman nominated by Cabinet and elected by the student body, two representatives from each class and the Vice-President of the Women's Recreation Association. The committee works with the Faculty Committee on Social Activities to plan parties and other social functions.

THE THALIANS

Students interested in acting and stage technique are encouraged to join the Thalians. Through the presentation of various plays during the year, valuable experience is given the student and entertainment is provided for the college and community.

SCHOOL SONGS

MAY DAY SONG

She comes, she comes, our radiant queen,
And joyfully we sing.
She spreads the hills and fields with green,
Our lady of the spring.
Let all the universe rejoice,
Upon this gladsome day,
And spread the tidings with one voice,
'Tis May, May, May!
'Tis May, May, May!
Winter winds are far away,
All the earth is bright and gay.
And joyfully, again we say,
'Tis May, May, May!

BLUE AND GOLD

Blue and gold of old Montreat,
With love for you our hearts will beat—
A candle light shining where'er we dwell,
To the friends that we all love so well—
We're thankful for skies of blue,
The breeze that whispers its love to you,
We hear their voices calling,
With love enthralling—
O DEAR MONTREAT!

MONTREAT GIRL

Now when a Montreat girl walks down the street,
She looks a hundred per from head to feet—
She has a word, a smile, a winning way,
And when you see her, boy, you'll recognize her and
you'll say—
Now there's a girl I'd like to know,
She has that Montreat spirit, pep, and go,
And just to look at her is quite a treat,
It's hard to beat,
A MONTREAT GIRL!

COMMENCEMENT SONGS

PROCESSIONAL

The children of the King are we,
The children of the King;
His emblem bearers we would be,
And so his banner bring;
Its colors gleam all gloriously,
As forth its folds we fling;
The children of the King are we,
The children of our King.

O heed with us the happy call
To worship of our King.
Come join us in His temple all
Who hear His church bells ring;
Your souls shall feel His blessing fall,
And know His comforting;
O heed with us the happy call
To worship of our King.

The earth, it is His garden fair,
The garden of the King;
Where flowers and little children share
His love for everything;
The whole wide world lies in His care,
Beneath His brooding wing;
The earth, it is His garden fair,
The garden of the King.

Our lives are links of years and days,
Wherein to serve our King;
Like Him, to help in loving ways,
While homeward journeying.
Our lives, our lives, shall sing His praise
As now our voices sing;
Our lives are links of years and days,
Wherein to serve our King.

(The music for this was composed by Mrs. Crosby Adams.)

BRIGHTLY GLEAMS OUR BANNER

Brightly gleams our banner
Pointing to the sky,
Waving wand'rers onward
To their home on high.
Journeying o'er the desert
Gladly thus we pray;
And with hearts united
Take our heavenward way.

Jesus, Lord and Master,
At Thy sacred feet,
Here with hearts rejoicing
See Thy children meet;
Often we have left Thee
Often gone astray;
Keep us mighty Saviour,
In the narrow way.

All our days direct us
In the way we go,
Lead us on victorious
Over every foe;
Bid Thine angels shield us
When the storm clouds low'r,
Pardon, Lord, and save us
In the last dread hour.

Then with saints and angels
May we join above,
Off'ring pray'rs and praises
At Thy throne of love;
When the toil is over
Then come rest and peace,
Jesus in His beauty,
Songs that never cease.

Refrain: Brightly gleams our banner
Pointing to the sky,
Waving mortals onward,
To their home on high.
